

# **2015 Top Ranked Personal Injury Attorneys**

**Congratulations to the 2015 Recipients to the  
National Academy of Personal Injury Attorneys**

FOR IMMEDIATE RELEASE

WASHINGTON, DC – The National Academy of Personal Injury Attorneys (NAOPIA) recently published its list of nationally ranked personal injury attorneys. The NAOPIA recognizes the Top personal injury attorneys in each state with the intent of helping consumers select well-qualified professionals when legal representation is needed.

“We are proud of the objectivity and meticulousness of our selection process,” said Pamela Farmer, Executive Director of the National Academy. “We know the NAOPIA is providing the public with a much needed independent resource to help ensure just representation for individuals needing a good personal injury attorney.”

Candidates must be licensed, in good standing with their local bar association and nominated by either a licensed practicing attorney or one of our in-house staff researchers. In addition, each attorney must have achieved meaningful professional recognition and earned the respect of their clients and peers. In the final stage of the NAOPIA’s 4 step selection process, the Board of Governors reviews the finalists and selects the official Award Recipients from each state. The rankings are independent and free from commercial influence.

“We were thrilled with the number of quality nominations received from each state, and are very proud of all the attorneys that made our list,” said Farmer.

Founded in 2013, the National Academy of Personal Injury Attorneys equips highly-qualified personal injury attorneys with the most current continuing education opportunities and provides the public with the most accurate, up-to-date listings of qualified attorneys in their states. For more information about NAOPIA, contact Pamela Farmer, Executive Director of National Academy of Personal Injury Attorneys, Inc., 855-384-6285, or visit the National Academy’s website, <http://www.naopia.com/>
